

An Unrefined Doctor

22. Even in an instance where it is permitted for a woman to be seen by a male physician, one should consult a *posek* for guidance if there is cause for suspicion that the doctor behaves in an unrefined manner. (See *Shevet Halevi* 3:186 and 4:167; *Chut Shani*

EH p. 63)

Know Yourself

23. Even in an instance where it is permitted for a man to be seen by a female physician, if he knows that he would have inappropriate thoughts, he is forbidden to go to her. If he is unsure, he should consult a *posek* for guidance. (*Chut Shani* EH p.

64)
