

“Achorei Ishah” in the Torah

The Torah relates the story of Eliezer Eved Avraham and Rivkah Imeinu, where she left the home of her father Besuel to marry Yitzchok. The *pasuk* (Bereishis 24:61) states, “Rivkah and her (female) servants got up... and went behind the man (Eliezer).” The Gemara (*Brachos 61a*) explains that this was not a coincidence; they went behind Eliezer because it would be prohibited for him to go behind them. (See *Maharsha ibid.*)
