Two Men Together

5. When two men are walking near each other, side by side, they are allowed to pass between two women. (*Ben Ish Chai shanah 2, Pinchas 17; Chut Shani EH 21; see Salmas Chaim 859*)

6. Common custom is to be stringent regarding this scenario, and the two men in the middle should physically hold each other's hands (i.e., as though shaking hands) while passing. (*ibid.*)
